

RATE STABILIZATION FUND POLICY

Policy Number: 22

Approval Date: 9/17/2025

Agenda Item: Staff Report Item 10 **Approved by Resolution**: R-2025-41

PURPOSE:

The purpose of this Policy is to set guidelines for the processes for funding, utilizing, and managing the Rate Stabilization Fund (RSF) as a source of liquidity to manage financial and operational risk.

POLICY OBJECTIVES:

The establishment of the RSF will allow Ava to defer revenue in years when fiscal results are strong and to apply deferred revenue in years when financial results are negatively impacted by uncontrollable events. The RSF will provide Ava with a mechanism to protect customers from risks related to energy market volatility, extreme events, and regulatory changes, as well as maintain financial covenants, achieve annual budget objectives, and other such fiscal matters.

FUNDING MECHANISM:

Funding the RSF is accounted for under Governmental Accounting Standards Board (GASB) rules which codify and standardize the accounting management of revenue recognition for public agencies. Deferrals of revenue as a transfer to the RSF reduces net revenue recognized on budget statements, and net position in that period of deferral, by the same amount.

The Board of Directors (the "Board") has authorized the Chief Executive Officer (CEO) and the Treasurer, or their designee, to defer revenue to the RSF from time to time such amount as may be determined as appropriate from any source designated as surplus in accordance with the budget previously approved by the Board, as established by resolution R-2020-26.

UTILIZATION MECHANISM:

Recognition of contributions to the RSF is also governed by GASB rules. Recognition of revenues as a transfer from the RSF increases net revenues recognized on budget statements, and net position in that period of recognition, by the same amount.

The Board has authorized the CEO and the Treasurer, or their designee, to utilize deferred revenues from the RSF from time to time in such amounts as necessary to stabilize rates, satisfy financial covenants, achieve budget objectives, and to implement direction provided by the Board.

REPORTING:

The RSF balance is recorded on Ava's Statement of Net Position. Transfers to and from the RSF are recorded in the Statements of Revenues, Expenses, and Changes in Net Position. Both statements are presented quarterly, and audited annually, in Ava's financial statements.

TARGET FUND BALANCE:

The RSF balance target is 20% of operating expenses.

RSF HOLDINGS AND INVESTMENTS:

RSF balances are not required to be held in a separate account and may be commingled with other funds held by Ava for investment purposes but will be accounted for and reported separately. All Ava fund balances, including the RSF, are subject to Ava's Board-approved and State Government Code compliant investment policy.
