Questions	Response
Direct Mail – Is the personalization on the letter, the envelope, or both? If it's only on the letter, may we assume the #10 envelope is a window envelope?	The personalization is only on the letter, and the #10 envelope is a window envelope.
Letter – Can you confirm the paper stock? Is it a matte-coated stock or an uncoated offset stock?	Our letters have been printed on uncoated offset stock
Tri-fold Brochures – What are the flat and finished folded sizes? Will these be delivered to Oakland? Also, are these printed on a matte-coated or uncoated stock?	Our tri-fold brochures are letter-size when flat and 3.667" x 8.5" when folded. They will be delivered to our office in Oakland and are typically printed on a silk cover stock.
